

The Seventy-Ninth Annual Report

FOR THE YEAR 1945

OF THE

Belgrave Hospital for Children

(INCORPORATED),

CLAPHAM ROAD, S.W.9.

Near Oval Station and next to Kennington Church.

HISTORY

IN view of the admitted need in South London for increased Hospital accommodation for Children, the Governors of THE BELGRAVE HOSPITAL FOR CHILDREN (founded in Pimlico in 1866) decided to transfer that Institution to the present site situate in the Clapham Road, at the corner of its junction with Prima Road and close to St. Mark's Church, thus placing the Hospital in the midst of a large working population in South London, for whom there was no such accommodation.

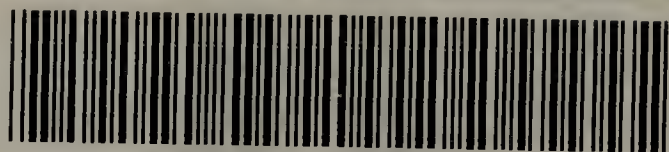

The existing accommodation at that time in Hospitals for Children in the Metropolis was represented by one cot for 12,560 head of population on the South side, as compared with one cot for 3,523 head on the North side of the Thames, and this difference was increasing by the migration of occupants of demolished small tenements. The population on the South side is, moreover, poorer than on the North side.

The Select Committee of the House of Lords (1892) urged the provision of further Hospital accommodation in the district, and this has subsequently been emphasized in the public press.

In 1900 the building in Clapham Road was commenced, but owing to lack of funds only the East Wing, the Centre Block, the Out-Patients' Department, and the Ground Floor of the South Wing were erected. This portion of the Hospital was opened by H.R.H. THE PRINCESS BEATRICE for the treatment of patients in 1903. In 1923 the Executors of the late Mr. WILLIAM SHEPHERD, through the kindness of his son, Sir PERCY SHEPHERD, made a grant of £9,000 to complete the South Wing. The work was finished early in 1924, and the Wing, named the "William Shepherd Wing," was opened in February, 1924, by His Royal Highness The PRINCE OF WALES.

At this time the Nursing Staff were housed in three different places, some in the Hospital and the remainder in two houses some distance apart—a most inconvenient and unsatisfactory arrangement. The erection of the South Wing

REPORT OF THE COMMITTEE OF MANAGEMENT

To the Governors

OF THE

Belgrave Hospital for Children

(INCORPORATED)-

CLAPHAM ROAD, S.W.9.

The Committee of Management have the honour to present to the Governors and Subscribers their Seventy-Ninth Report on the work of the Hospital during the year 1945. The Report is submitted in an abridged form in order to economise in paper.

His Majesty The King—the Patron—was graciously pleased to send an Annual Subscription of Ten Pounds from the Duchy of Cornwall, and a donation of Five Pounds for the entertainment of the patients at Christmas.

The year marked the cessation of hostilities, first in Europe, and later in the East. It is difficult to express in words the tremendous relief these events brought to the staff of the Hospital, for the strain of nursing sick children through air raids for several years had to be experienced to be realised. At last the end came, and then commenced the task of getting the Hospital back to its pre-war standard. The building had been damaged, departments closed and the staff depleted on all sides. Considerable progress has however been made, the wards are all open again, and the ancillary departments set in motion, but there is still much to be done, nevertheless it is expected that during 1946 many of the setbacks will be overcome as the gaps in the staff are filled and supplies become more plentiful.

Patients.

During the year 1,351 children were admitted to the wards as compared with 865 in 1944, whilst 8,067 patients made 24,254 attendances in the Out-Patient Department as against 6,179 and 19,390 respectively in the previous year.

Finance.

	1940	1941	1942	1943	1944	1945
Receipts ..	£10,251	£11,211	£9,974	£12,984	£13,785	£18,228
Expenditure	£10,328	£8,543	£10,490	£14,083	£17,379	£21,868

The receipts for 1945 show a gratifying increase and is the largest amount for the past six years. The expenditure is also higher, showing an excess of expenditure over income of £3,640 due primarily to the re-opening of the wards and special departments, and secondly to the increase in salaries and wages as well as higher prices for certain commodities.

The Committee desires to express the deepest gratitude for the following contributions, particular mention being made of the generous grant from King Edward's Hospital Fund :—

CONVALESCENT HOME AT MINSTEAD.

The Home has continued to be in great demand all the year as many Convalescent Homes for Children are still closed. Though the beds are limited to ten a maximum number of children have been sent to the New Forest for four to six weeks, and it is most gratifying to see the improvement in their condition on their return.

AMALGAMATION.

As announced in last year's Report sanction was being sought of the Charity Commissioners for the amalgamation of the Victoria Hospital for Children and the Belgrave Hospital. The formalities have taken some time to negotiate, but it is expected that the Scheme for the amalgamation of the two Institutions will shortly be ready. In the meantime a Joint Committee of Management has been appointed under the Chairmanship of Admiral Sir Percy Noble, G.B.E. This Committee meets regularly and much useful work has been done towards co-ordinating the work of the two Hospitals.

LADIES' ASSOCIATION.

The Ladies carried out a successful programme during a year of disquieting conditions, war still waging, cessation of hostilities, and finally a General Election.

The Christmas Fair held in the Hospital on November 24th proved a success and was much enjoyed. The Committee wish to place on record their appreciation of the generous donations of £25 from Lady Dorothy Charteris, £400 from Lady Granville and £150 from Mrs. Peter Ralli; whilst the stall holders must be warmly congratulated upon the excellent results obtained, viz. a total of £764. The Bishop of Southwark attended, supported by the Mayor and Mayoress of Lambeth and Dr. Darlington—the Chaplain.

Two Cots were unveiled, the Nurses' Thanksgiving Cot and the Elsie Speer Cot. As a thank offering for the preservation of the Hospital the Nurses opened a fund for a Cot with a target of £1,000, and Mrs. Speer had given a donation of £500 to name a Cot in memory of her daughter. The Bishop unveiled and blessed the Nurses' Cot in the Martineau Ward and the Elsie Speer Cot in the Princes Ward.

A Bridge Tournament was held by members in their own homes which realised the very gratifying sum of £63 5s. 6d. The Committee wish to thank all the Ladies who organised the tournament and it is hoped that it may be possible for a similar tournament to be held this year.

In July, a Matinee of "No Medals" was given at the Vaudeville Theatre, the proceeds being shared by the Victoria and the Belgrave Hospitals. Her Majesty Queen Mary was graciously pleased to be present which added greatly to the enjoyment of a crowded house. Lady Rothermere and the Organising Committee must be congratulated on achieving such a success in this, the first joint effort for the two Hospitals. The total amount realised was £1,622 and as the Ladies' Association of the two Hospitals defrayed the incidental expenses which amounted to £37 4s. 0d. only, each Hospital received approx. £800 as its share of the takings without any deductions whatsoever. Sincere thanks are due to the Proprietors of the Vaudeville Theatre, the Artists and all those members and friends of the two Associations who worked so hard.

In addition the Association made a most valuable grant of £123 14s. 0d. to the funds of the Convalescent Home.

Since the close of the year a successful Ball was given by the Officers Sunday Club at Grosvenor House. Mrs. Corfield was instrumental in securing the generous support of the Club and grateful thanks are due to her as also to the Dowager Marchioness of Townshend of Raynham and to Nina, Countess Granville, Chairman and Vice-Chairman respectively of the Committee, for organising so successful a function which realised no less than £420.

The Committee desire to congratulate the Association most warmly on the success of their efforts and to express to the members very grateful thanks.

THE ROBINS.

The Robins though scattered to various parts of the country have generously continued their contributions, sending the magnificent sum of £105 18s. 4d. during the year. Uncle Robin is deeply grateful for their loyal and splendid help.

CHILDER CHAINE.

It is most gratifying to state that the members of the Chaîne are being called together again, and the enthusiasm of well attended meetings augurs well for the future. The Committee wish them well and will watch with pleasure a resumption of their energetic activities for the welfare of the Hospital.

Committee of Management.

The resignations of Sir Patrick Hastings, K.C., Mr. Widdrington Stafford and Mr. Kenna Wilson are reported with the greatest regret. Their wise counsel and generous support will be sorely missed, and the Committee desire to place on record their deep appreciation of their invaluable services to the Hospital.

Major Leonard Dent was appointed Chairman pending the completion of the Amalgamation formalities.

In accordance with the Articles of Association the following four members retire—Mr. Gustav Bescky, Squadron-Leader A. E. R. Gilligan, Mr. Norman Wates and Mrs. Hardy-Young, but being eligible they offer themselves for re-election.

Medical Staff.

The Hospital suffered a severe loss by the death of Mr. Bishop Harman, Ophthalmic Surgeon, on the 13th June. He had been a member of the Staff since 1902. He was an outstanding man in his profession and had played a great part in Ophthalmic Surgery in particular. The Committee desire to express sincere sympathy with his family in their bereavement.

Surgeon Rear-Admiral Wakeley, F.R.C.S., Mr. B. H. Burns, F.R.C.S., Mr. Geoffrey Bateman, F.R.C.S., Dr. Beaver and Mr. King Turner are welcomed back from their service with H.M. Forces.

Dr. J. D. Gray has been appointed Pathologist.

Thanks are due to Mr. Kilpatrick, F.R.C.S. of Guy's Hospital for his kindness in deputising for members of the staff during their absence in the Services.

Honorary Officers.

The Committee wish to place on record their appreciation of the valuable services rendered to the Hospital by the Honorary Chaplain, the Rev. Dr. Darlington ; the Honorary Solicitors, Messrs. Coward, Chance & Co., and the Honorary Auditors, Messrs. Morrish, Walters & Co., and to convey to them an expression of their most grateful thanks.

Nursing Staff.

Thanks are due to the Matron and the Nursing Staff for their devoted services during the year, and to compliment them on the

successful manner in which the Nursing Service is gradually being restored to the pre-war standard.

The Preliminary Training School opened last year for the benefit of Student Nurses from the Belgrave and the Infants' Hospitals will shortly be closed. Premises have now been secured at Walton-on-Thames where a larger and more convenient School will be established for the joint use of the Belgrave, the Evelina, the Infants' and the Victoria Hospitals for Children. King Edward's Hospital Fund has approved the scheme and have sent a Grant of £1,050 towards the capital expenditure, which included £50 allocated by the Fund from a special grant by the Goldsmiths' Company in support of Preliminary Training Schools.

When Peace was declared the Nurses opened a Fund to name a Cot—"The Thanksgiving Cot", with a target of £1,000. The Cot was unveiled by the Bishop of Southwark in November as already reported by the Ladies' Association, and the response to their appeal has been so generous that the desired total has been nearly realised. The Committee wish to congratulate the Nurses on their splendid achievement and to place on record their deep appreciation of their combined efforts to raise such a magnificent sum.

Staff.

Thanks are also accorded to other members of the Staff of the Hospital—Dispensing, Massage, Clerical, Domestic, etc., for their continued loyal service.

National Health Bill.

A Bill is now before Parliament for the creation of a National Health Scheme. Under the Bill the Voluntary Hospitals will be absorbed into one National system directed by Regional Committees and remote control. Whilst all are agreed there was a need for a more co-ordinated Hospital system it is to be regretted that the great Voluntary Hospitals who have done so much in the past for the progress of medical science, the teaching of Doctors, and the Training of Nurses, should be deprived of their individuality and submerged in a huge bureaucratic machine.

In Conclusion.

The Committee express their warmest thanks to Subscribers, Donors, and all who have contributed in any way to the work of the Hospital during the past year. It is hoped that all supporters of the Voluntary Hospitals will continue their generous assistance during the coming months, pending the institution of the National Health Scheme, the children must not suffer as a result of the change.

FORM FOR BENEFACTIONS BY WILL.

3 Bequeath TO THE BELGRAVE HOSPITAL FOR
CHILDREN (INCORPORATED), CLAPHAM ROAD,
S.W.9,

the sum of £

(free of duty) to be applied to the General Purposes of the said Hospital, and I declare that the receipt of the Treasurer or other proper Officer for the time being of the said Hospital shall be a sufficient discharge to my Executors for the said legacy.

How to Save Income Tax and Super Tax on Annual Subscriptions.

Annual Subscribers, by filling up a form of agreement for seven years, enable the Hospital to recover income tax on their subscriptions and can themselves deduct the amount of the subscription from their super-tax return.

For example, if the contributor fills in the figure £5 5s. (other amounts being in proportion—see table below) in the form overleaf, the result will be :—

- (a). The subscriber sends a cheque for £5 5s., with a certificate that he has paid income tax on the amount ; the Hospital can supply forms of certificate, if desired.
- (b). The Hospital recovers the income tax from Somerset House.
- (c). The contributor appears as a Subscriber of £9 10s. 11d.
- (d). The contributor can deduct £9 10s. 11d. from his return for super tax.
- (e). The Hospital thus receives a further £4 5s. 11d. on a subscription of £5 5s.

On an Annual Subscription of	Income Tax recover- able by the Hospital to the amount of (at 10s. in the £).	Making the Subscriber's total gift to the Hospital each year.

HISTORY—Continued from page 2 of cover

made it necessary that further accommodation for the Nurses should be provided, before both the additional Wards could be put into use. It was, therefore, decided to build the remaining West Wing, and so complete the Hospital as originally designed, to use it temporarily for Nurses' quarters until such time as funds were available to build a proper Nurses' Home, and by this means bring the Nursing Staff under one roof. The building was commenced in January, 1925, and was completed in April, 1926, at a total cost, including the equipment and furniture, of nearly £30,000. In raising this sum the Committee was deeply indebted to the Executors of the late Mr. William Shepherd for a further munificent contribution of £12,000.

In 1936 a site was acquired at the rear of the Hospital, and plans were prepared for a Nurses' Home and a new Out-Patients' Department. The outbreak of war in 1939 caused the Committee to postpone this further extension until hostilities had ceased.

In 1938 a bequest by the late Miss M. P. Eyre provided a Convalescent Home, known as "Tom's Lane Corner," Minstead, Lyndhurst, a delightful house and grounds, together with a substantial endowment for its maintenance. This is a most valuable adjunct to the Hospital, and many children will derive great benefit by a few weeks' stay in the heart of the New Forest.
